#russellsdoolin

Russells Seafood Bar officially opened in Summer 2022. We chose the name 'Russells' in honour of the Russell Family of Doonagore; whose quiet but rigorous dedication to traditional Irish music has helped spread the art-form around the world and put Doolin on the map. Probably the best known members of the family, brothers Micho, Packie and Gussie, learned their craft through their mother and other local musicians, refining it and driving the art forward in their own unique ways.

The Russells inspired us because they grounded their art in the local. Their music showcases the beauty and uniqueness of Doolin. But despite the local focus, the spirit of their music has a universal and timeless appeal. At Russells Seafood Bar, we too want to showcase the local, while maintaining a timeless appeal. We strive to offer each guest a truly authentic experience. Russell's Seafood Bar offers expertly-crafted and locally sourced gourmet meals, created artfully by our Award-Winning Head Chef Viv Kelly, enjoyed in an authentic and rustic setting.

Our bar caters to all tastes, from our curated selection of Irish Whiskeys to our array of expertly crafted cocktails by in-house mixologists. We pride ourselves on our amazing staff who ensure each visit to Russell's is a truly memorable experience for the guest.

We have live Traditional Irish music every night during the summer. We are privileged to have such a talented group of local Doolin and Clare musicians who play in our bar.

We are delighted you are here and hope you have a delicious meal and amazing Irish drinks, so sit back and enjoy some traditional Irish music by the open fire, experience all that Russells and Doolin have to offer.

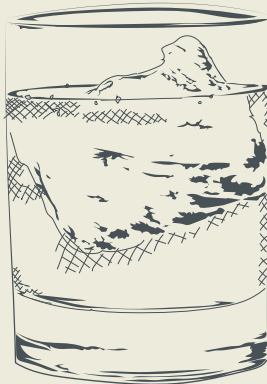

Darren, Viv and the all the team at Russell's
